From The Principal

Like many who teach and work in education I am often frustrated by calls for schools to be responsible for teaching more ‘stuff’ to students. Someone publishes the results of a study or survey and there are immediate calls for schools to do something about it. If young people aren’t managing money well, not voting, don’t wear bike helmets, are engaging in sexting, not exercising enough, spend too long on screens daily, don’t eat enough fibre, are at risk of radicalization or any one of dozens of other issues, our societal response is to ask schools to develop curriculum and deliver programs to fix the problem. It might be somewhat facetious to suggest that the next study will probably identify problems with a ‘crowded curriculum’ and ‘insufficient time spent on literacy and numeracy’ and call for a ‘back to basics’ approach to education!

One of the few areas to buck the trend of passing to schools what should be primarily a family responsibility is ‘socializing’. Schools used to take responsibility for providing opportunities for students to socialize at formal events but generally don’t anymore. Having attended a boys boarding school in the late 70’s such opportunities were important, but most boys today interact daily and socialize regularly with friends of both genders and the school does not need to create extra curricular opportunities to educate them on how to socialize.

In most years senior students approach staff seeking to run a formal. We say no and explain why; they are unnecessary, not part of our core business, place additional workload on staff, place additional costs on families, are disruptive (a day to prepare and a day to recover!), there are legal issues with underage attendees and safety issues often involving alcohol, and many more issues. We are aware that sometimes students attempt to organize unofficial formals. These are unauthorised school activities and it is important for parents to understand that the College does not support, or endorse any such event in any way and St Bernard’s staff would not provide supervision at any such event.

We have further concerns about such unauthorised events including the legal liability of the organisers, (be they parents or students), possible lack of adult supervision and safety of students. If something serious were to go wrong at an event run by and attended by our students the College reputation is inevitably damaged. In the event that organizers make a profit, effectively they are leveraging the College’s name and community to generate this.

While I am conscious that what students do out of hours is a matter for individual families, I ask for your support in discouraging any formal event from which the College has nothing to gain and much to lose.

I have met with the Principals of Ave Maria and St Columba’s Colleges who have similar concerns. We believe that tickets are being sold for an unauthorised formal purporting to be an “Ave Maria” event on 15 April. I ask that families ensure that this event is not supported by your sons.

Congratulations to our Swimming Squad who placed 5th overall in the recent ACC Swimming event. Our swimmer of the meet was Blake Pereira who won the ‘A’ event in all four strokes. I would like to acknowledge Mr Chris Mannix, Mr Paul Menta and Mr Dan Palmer for their coaching and the assistance of Old Collegians James Delzoppo, Alex Turner and Mitchell Goring.

The College has had a good deal of coverage in the media recently. Congratulations to staff member Eleni Glouftsis who last Sunday became the first female field umpire to officiate at an AFL match. We have also agreed to have suspended Essendon AFL players use the College facilities as a training base. St Bernard’s has a strong historical connection to the Essendon Football Club and I was pleased to be able to offer this support when approached by the AFL Players Association.

The College has launched our new portal in order to improve communication and transparency with parents, called mySBC. A complementary service, called Community Portal, will provide additional administrative services. Your existing login details will continue to work with both new systems. More details can be found by clicking the “Parent Portal” link at the top right of the College website.

2016 VCE Goal
In the past weeks our Year 12 teachers have met to unpack the VCE results of 2015. This has been an invaluable experience as individual subject results were examined in great detail. Data such as the performance of each question on the end of year examination will lead us to a greater understanding of where to focus the learning for 2016.

It is timely to understand that the VCE is a competition against all students who have elected to embark on this course of study. Most courses of study consist of 50% internal and 50% external assessment. Once the raw score is finalised, your son will receive a ranking based upon the performance of all other students in Victoria. This ranking then makes up individual study scores and an overall ATAR (Australian Tertiary Admissions Rank).

Study Scores
In each subject, raw scores are matched to a normal distribution curve with a median study score of 30. This means that:

2% of students in the state receive a study score > 45
8% of students receive a study score > 40
16% of students receive a study score > 37
24% of students receive a study score > 35
50% of students receive a study score > 30

All data indicates that our students are capable of performing above state level. A reminder that individual help is available from subject teachers and the library is open after school and during term breaks.

Unit 3&4 Parent/Student Teacher Interviews
The first Unit 3&4/VCAL Parent Information Evening is scheduled on Tuesday March 8. This will provide an initial check on the progress of our senior students and offers an opportunity for early intervention if required. At this stage of the Term it is necessary for students to realise that the 'settling in' period is over and that the 'hard work' in class and at home should have begun.

Acceleration at St Bernard’s College 2017
The opportunity exists for eligible students to study a VCE subject as an accelerated subject. This means that a Year 10 student could study a Unit 1 & 2 (Year 11) subject and a Year 11 student could study a Unit 3 & 4 (Year 12) subject.

To be eligible for acceleration the students must be achieving at a B+ average across all subjects on their semester 1 report. If the criteria has been met then a letter of offer to accelerate will be sent to eligible students by early Term 3.

We encourage students who meet the criteria to take on this challenge. It is an opportunity to develop an understanding of the processes and procedures involved in a VCE subject and can also be a mechanism to maximise ATAR (tertiary entrance ranking).

It should be noted that not all subjects are available for acceleration.

The Acceleration policy can be found on the college website in the publications section.

VCE Unit 3 Parent Student Teacher Interviews Tuesday 8 March
Information regarding VCE Unit 3 Parent Student Teacher Interviews has been emailed to all Year 11 and 12 parents earlier this week. Interviews will be conducted between 3.00 pm – 8:00 pm in Building 7 (Year 12 Classrooms).

Bookings can be made via the Parent Portal with instructions on 'how to' make your bookings available on the site. Year 12 students will be dismissed at 2.05 pm in order for VCE teachers to prepare for interviews. Students in Year 7–11 will be dismissed at 2.55 pm as normal. College buses will run as per normal at 2.55 pm. Year 11 students who are undertaking a VCE Unit 3 Subject in Semester 1 will be required to book for interviews with their teachers.

If you have any further enquiries please contact the college on the details provided in the email sent earlier this week.

The Social Justice Network
The St Bernard’s Social Justice Network is made up of parents and community members who believe that in order to encourage and facilitate their own son’s interest and involvement in social justice, they also must seek to actively participate. This presents them the offer to characterise themselves as role models.

We meet once a month to discuss and act on social justice issues. All are welcome. The next meeting is on Wednesday 23 March, 7.30 pm-9.00 pm in the Peter Hogan Board Room. For more information please contact Lisa Grass, lgrass@sbc.vic.edu.au

Positive Choices new online portal for accessing drug and alcohol information
A new online portal has been developed as a central access point for schools, parents and students as a major drug prevention resources and information link.

The Positive Choices portal enables parents and students to learn about credible evidence-based information on illicit drugs including how to approach conversations with young people and how to intervene across the school years. At St Bernard’s College we commend this portal to you and hope it will be able to provide you with the information and assistance you may need. You are reminded if you do have any concerns about your sons you are welcome to contact their homeroom teachers, Year Level Coordinators and/or the School Counsellors.

Echoes from the Archives

In 1945 the school was temporarily converted into a boxing camp. Brother Nicholas Murphy was transferred to St Bernard’s that year to teach Mathematics, Latin and French and as Sportsmaster. His brother was the boxer Tommy Burns.

Brother Murphy set up a boxing ring in the yard, and organised the school in a way that each boy fought somebody in his own weight group, seniors and juniors. He also brought Tommy Burns to the school too give an exhibition.

Tommy Burns sparred with some of the boys and it is said that a boy from the school who fought him cut his eyebrow causing Tommy Burns to cancel a fight scheduled that evening at The Stadium in West Melbourne (which became Festival Hall)

Some students considered the Tommy Burns exhibition the highlight of their time at St Bernard’s.

A pair of boxing gloves from that time are on display in the Heritage Room.

SBOCA Business Breakfast

The St Bernard’s Old Collegians’ Business Breakfast will be held on Thursday 10 March, from 7.00am (for a 7.30 start) at the Moonee Ponds Club. The Breakfast is a fantastic opportunity for business networking and mentoring with Old Collegians in a wide variety of fields and occupations.

The Guest Speaker for the morning will be one of Australia’s most successful sportsmen, AFL legend and Old Collegian Simon Madden. Simon played 378 games for Essendon, was Victorian and club captain, played in two premiership teams and was selected All Australian three times. He has been inducted into the Essendon Football Club, the AFL and the St Bernard’s College Hall of Fame. He has been the President and a Director of the AFL Players Association and is now a Director on the Board of the Essendon Football Club.

Simon has gained a wealth of experience both through Football and through his business ‘Winning Pty Ltd’ specializing in Business Strategy, Education and Training. Simon has a strong belief that if you improve your people, you improve your business.

National Constitution Convention

Good luck to Jett Fogarty (Year 12) and Frank Caccamo (Year 11) who will to attend the National Constitutional Convention - a three day educational event held in Canberra. Only 100 students from across Australia are chosen, 25 from each state. I’m very pleased to say that from the over 150 applicants from Vic, we managed to snap up not only 1, but 2 of these spots! They will represent Victoria and St Bernard’s.

Frank and Jett will head off to Canberra in a couple of weeks where they will have dinner at the High Court of Australia, tea at the Governor Generals residence, participate in a mock referendum at Old Parliament house and be able to meet with current members of Parliament and University Academics.

All the best to the boys who will no doubt represent the school and our state with flying colours.

Youth of The Year Competition
On Monday, 22 February I attended the local Lions Clubs’ “Youth of the Year” competition, with Jett Fogarty as the SBC entrant. Jett had taken part in an hour-long interview by Lions judges earlier in the weekend about his community and academic involvement and then there was the Monday night Public Speaking and Impromptu speeches. Jett was in competition with two entrants from Pascoe Vale Girls’ SC. He spoke, in his prepared speech about the need for an Australian republic, and in the impromptu speeches about the impact of social media and whether we could live without it, and Climate Change.

I am happy to say that Jett won the competition and now progresses to the Zone final in ten day’s time. Congratulations to him and good luck in the next round. If you see him around, please wish him well.

Student Wellbeing Action Team Training Day
On Tuesday 23 February, 24 students attended a Leadership Training day with student leaders from Ave Maria. At St Bernard’s College these students have volunteered to become part of the newly named Student Wellbeing Action Team (SWAT). The SWAT group is replacing the Anti-bullying Leadership Team.

As the new name states the group will shift their focus from just promoting how to reduce bullying to how to enhance student wellbeing. The students reflected on what it means to be a leader by the Project Rockit Organisation, and then spent the rest of the day forming goals and action plans for the day.

The first main set of actions was to plan on how to promote the National Day Against Bullying and Violence. Keep a look out for what this group will be doing for 2016.

Music News
Week 5 and 6 of Term 1 has been a busy week for music at St Bernard’s with the annual weekend Music Camp at Edmund Rice Centre Amberley proving to be very successful. Students from the Concert Band and Show Band worked very hard all weekend to learn new pieces and perfect works for upcoming concerts and competitions. Thanks must go to Mr Chris Smith, Mr John Zappia, Mr Benjamin Tansey, Ms Sarah Cassar, Mr Ben Kelly and our music tutors for making the camp such a great event.

In other news, students of all year levels who are interested in singing are invited to join our SYNC and SHOUT vocal groups. The groups rehearse before and after school on Fridays and are a great way to get involved in the growing singing culture at the college! Please email jstewart@sbc.vic.edu.au for details. Also if your son is interested in learning an instrument in 2016, please contact the above email for further details.

The first Friends of Music meeting will be held in the music department on Tuesday 8 March. I’m looking forward to meeting new and existing parents to discuss exciting ways in which you can support your son’s musical endeavors at the College.

The first Friends of Music fundraising event of the year is our annual ‘Lunch and Winery Tour’ to be held on Sunday 20 March. Please see advertisement below or contact mpuglisi@sbc.vic.edu.au for more details.

Jack Stewart
Director of Music
The Foundation is proud to announce the 2016 inductees are:

Mr. Frank Fitzgerald, Principal of the College from 1996 to 2008. An inspiring leader who left a colossal legacy of educational, cultural and facility growth.

Mr. Justin Madden, An AFL great who played 287 games for Carlton and 45 with Essendon. An All-Australian with two Premierships to be proud of, Justin served 15 years in State Parliament holding seven Ministerial portfolios.

Bookings through TRYBOOKING opening 1 March, closing 15 April.

Year 7 Introduction
No Experience Necessary
Everyone Welcome

We wish to extend an invitation to the boys at St. Bernard's College with the opportunity to play and experience the sport of Volleyball. Come along and see what this great sport is all about. Experience isn't necessary as training will be provided and all abilities catered for.

Initial Training Dates: → Tuesday's 8th, 15th & 22nd of March & Thursday's 10th, 17th & 24th March (boys are welcome to continue/join after these dates)

→ Time: → After School (3.10pm – 4.30pm)

→ Venue: → St. Bernard's College – In the Gym

(Note: All other year levels also welcome 5.00pm – 7.00pm)

If your son is interested in joining the Squad additional details will follow after the trial sessions. Being a Squad member is a great precursor for those that are/maybe interested in playing ACC Volleyball as they will have the benefit of the extra training/experience.

Our Club enters teams in a Friday Night Competition, One Day Tournaments and we represent St. Bernard's at the Victorian Volleyball Schools Cup and the Australian Volleyball Schools Cup (participation in all Tournaments not compulsory). These Tournaments are greatly enjoyed and looked forward to by the boys and parents alike.

All welcome, come along and meet new friends, or bring your mates.
