Achieving Excellence By Learning And Doing

7 November 2024

Dear Old Collegians,

Please see the attached flyer for the St. Bernard's Old Collegians Chris Lane Golf Day. This is a great way to get with friends and enjoy a day out at Medway Golf Club. Kick off with an egg and bacon roll for breakfast with lots of food and cold beers available during the day and after play has finished. There are some fantastic prizes available for the longest hit and nearest the pin and of course for the winning team as well as second and third place. And get ready for some magnificent auction and raffle prizes.

Every person playing on the day will go into the draw for this magnificent prize.

Post-game cheese platter and drinks. Hosted by Cathedral GC member Patrick Crabb. Who wants to win this...everyone!
